1. Special Conditions of Participation for exhibitors at Leipzig Book Fair 2026

1.5. Registration

(cf. General Conditions of Participation/5.)

Stand allocation commences on 18 August 2025. The **special price** will be granted until this date. If claims still exist with Leipziger Messe GmbH beyond this date, the entitlement to the special price will be forfeited, even if the registration was received by Leipziger Messe GmbH on time.

The **deadline for registrations** is **1 November 2025**. Registrations after the closing date shall only be accepted on request and at the discretion of Leipziger Messe GmbH. Leipziger Messe GmbH shall reserve the right to charge a **late booker surcharge** of **EUR 315.00** plus VAT for stands up to 6 m² and **EUR 578.00** plus VAT for stands of 8 m² or more (per stand in each case) in the event of registration after 1 November 2025. Allocation requests may no longer be considered.

If the event is fully booked before the registration deadline, the registration shops will be closed. If a registration is submitted at a time when the event is fully booked but the registration shop is not yet closed, a non-public waiting list will be created for these registrants, allowing them to move up the list, for example, if an already approved exhibitor cancels. However, there is no entitlement to this.

Provisional registrations or registrations written informally, including those associated with reservation requests, will not be considered and will not be processed unless the formal registration has been submitted by the registration deadline.

The date of the email (confirmation of exhibitor registration) sent to the fair organiser immediately after the successful completion of the exhibitor registration shall apply.

Changes to the stand (increase in area or changes to the stand construction) shall be free of charge **until 12 February 2026**. After this date, a processing fee of **EUR 100.00** plus VAT will be charged by Leipziger Messe GmbH and any costs incurred (e.g. graphics costs) will be charged by FAIRNET GmbH. A reduction in the stand area shall also be possible until 12 February 2026. The fees stated in Point 1.10. (Withdrawal and Non-participation) shall apply.

Exhibitors who are not in agreement with a new version of the Special or General Conditions of Participation may withdraw from the contract free of charge within 14 days of notification thereof. The declaration of withdrawal must be in text form (e.g. email).

Leipziger Messe GmbH is to be informed immediately in writing of any changes to company, correspondence and invoice data after registration. The processing fee for invoice and address changes is **EUR 49.00** plus VAT per change.

1.6. Admission – Trade Fair Rental Contract

(cf. General Conditions of Participation/6.)

Admissions will be sent to exhibitors as soon as possible after the exhibitor application has been processed.

German and international companies in the book and media industry shall be eligible to participate, provided their exhibits correspond to the company profile and product groups as well as to the provisions mentioned under Points 1.3. and 1.11. This shall also include manufacturers of books, newspapers, magazines, teaching aids, audio, image and data carriers, providers of online platforms and digital offerings as well as institutions or associations from the fields of culture and education. Companies offering services for publishers, authors and the book trade as well as authors who already have publications to their credit may also exhibit. Exemptions may be granted upon application.

Bookshops, bookshop-like associations and retailers shall be excluded from participation. Exceptions can be made on request. Intermediaries, publishers' distributors and publishers' agents may be admitted as exhibitors.

Furthermore, all political parties and their parliamentary fractions are excluded from participation, regardless of their respective political orientation.

Countries may hold joint presentations or the organiser may present special exhibitions, provided these are compatible with the purpose of the Leipzig Book Fair.

The organiser shall decide on the admission of the exhibitor, exercising his reasonable discretion and taking into account the available space capacities, the purpose of the event and safety-relevant aspects. The organiser may, for objectively justified reasons, not grant admission or make such admission dependent upon further preconditions such as the imposition of stipulations or the payment of a security deposit. This applies in particular to exhibitors who have not fulfilled their financial obligations to the organiser in the past or have not done so in good time or who have already violated the conditions of participation, safety-related exhibition regulations, orders under domestic law or statutory provisions at previous trade fairs. The organiser shall not be obliged to give reasons for non-admission to the event.

Leipziger Messe GmbH shall reserve the right to limit the area of exhibition sections that are not part of the core area of the event (e.g. the Marketplace Print Graphics or the Non-Book area). Exhibition areas with limited space are marked in the registration documents. Stand space will then be allocated according to the order in which registrations are received. Subsequent registrations will not be considered if the space provided is insufficient.

1.7. Stand Allocation – Stand Construction

(cf. General Conditions of Participation/7.)

Provision of the exhibition space:

The allocation of exhibition space by the organiser may only take place after expiry of the registration deadline and examination of all exhibitor applications received. The allocation of exhibition area depends on the time of registration, the available premises, spaces, requirements and options of the organiser and on the layout of the exhibition areas to be carried out by the organiser at his own discretion. The exhibitor shall have no claim to the same placement as at the previous event or to the allocation of a specific space or to a specific stand shape; however, the exhibitor's placement wishes with regard to location, proximity, size, stand shape and exhibition area will be taken into consideration as far as possible.

The exhibitor must accept that upon commencement of the event the location of the other stands may have changed since the stand was allocated.

The **minimum size** of one stand is **4 m²**.

The following minimum depths apply:

- 2 m for stands 4 m² and larger
- 3 m for stands 12 m² and larger
- 4 m for stands 24 m² and larger

Only rectangular or square exhibition spaces in a 1-metre grid (width/depth) are available to rent. Exceptions can be made on request.

Complete stand:

Leipziger Messe GmbH offers complete stands (rental incl. stand construction) in its own name and for its own account. The stand construction services included in the complete stand are provided by the subsidiary FAIRNET GmbH. In addition to the General and Special Terms and Conditions of Participation and Information for Exhibitors of Leipziger Messe GmbH, the General Terms and Conditions of Contract of FAIRNET GmbH also apply to all stand construction services. These are available at: <https://www.fairnet.de/files/fairnet/media/pdf/avb-fairnet-de.pdf>

The electrical connection (2 kW) including power consumption is obligatory when booking a complete stand variant per exhibition stand and cannot be deselected. Further details on prices, stand equipment and service description can be found in the price list and the respective stand construction offer (see website www.leipziger-buchmesse.de/prices).

1. Special Conditions of Participation for exhibitors at Leipzig Book Fair 2026

Exhibitors who have booked a complete stand with Leipziger Messe GmbH will receive an order confirmation from FAIRNET GmbH after stand allocation with the layout of their stand and will then have the opportunity to make changes to the basic equipment of the complete stand. The first change up to the deadline of 12 February 2026 is **free of charge**, for each further change thereafter a fee of **EUR 100.00** plus VAT will be charged. FAIRNET GmbH shall invoice the individual changes. It is also possible to order additional stand construction services at the prices stated in the 'Shop for Exhibitors - Services' (customer account).

Additional regulations for complete stands:

The specifications regarding the colour of the floor covering and the fascia lettering, which the exhibitor already books with his online exhibitor registration, are binding and cannot be changed later.

Floor coverings are laid on double-sided adhesive tape and with cover film. The stand package includes basic cleaning of the floor covering. This includes the removal of the film and carpet cleaning and takes place before the start of the event in the late evening of the last set-up day or before the start of the event. Displays, posters or pictures may only be attached to the rented wall elements by hanging them using picture hooks. Nailing, drilling, screwing or gluing is not permitted. Professional digital prints including mounting and/or freely customisable front panels can be ordered for the walls in the Shop for Exhibitor Services. Nailing, drilling, screwing and gluing are permitted on the attachment surfaces. Exceptions to this are the complete stand 'Book Art & Graphic Design' and the artist stand 'Marketplace Print Graphics'.

In the event of any damage, FAIRNET GmbH will charge the exhibitor for the cost of restoring or replacing the stand partition walls. The walls only have a purely separating function and are not suitable for bearing loads. Support and frame elements may only be changed / removed by employees of FAIRNET GmbH. The customer shall be obliged to return the subject matter of the contract to FAIRNET GmbH immediately after the end of the event. Objects left at the stand shall be disposed of without compensation.

Removal of the partition wall between two stands can only be achieved with the "complete stand duo" version. With all other stand versions, removal of a whole or half partition wall is not permitted. Exhibitors, who have rented several small areas, may not use these as a communal area and present them as one stand. If this is the case, the organiser shall be entitled to demand the rent due for the rental of a larger area from the exhibitors taking part.

The "**complete stand duo**" (4 m²) may only be booked with another "complete stand duo". A maximum of two "complete stand duo" (4 m²) can be placed next to each other. The entire partition wall is removed between the two stands; half partitions are not permitted. Two independent companies must rent both stands; upon request, proof of no affiliation in the form of appropriate documentation must be submitted to Leipziger Messe GmbH. Both companies must submit their application separately and book the stand version "complete stand duo". The respective partner for the adjacent stand must be named in the exhibitor application. Both stands must be provided with separate fascia lettering. Should an exhibitor rent a "complete stand duo" without an existing registration for the adjacent stand, Leipziger Messe GmbH will allocate a "complete stand B" of 4 m² and with two side walls.

The **complete stand "Book Art & Graphic Design"** and the **artist stand "Marketplace Print Graphics"** may only be rented in the Book Art & Graphic Design trade fair area, for which separate conditions apply (cf. Point 1.3. List of Goods). The number of artist stands (4 m²) in the "Marketplace Print Graphics" is limited to 32. Leipziger Messe GmbH shall reserve the right to increase the number. The allocated stand area and the stand boundaries (carpet) must be strictly adhered to. Only the clockwise or right-hand border shall form part of the allocated stand.

Self-build stand:

The stand should be equipped with sufficient lighting, carpet and stand partition walls to adjacent stands. Row, corner and head stands must be separated from adjacent stands by their own stand construction walls (side and/or rear wall). Free-hanging cables or similar things must be concealed in the interests of the hall appearance.

Stand design:

The allocated stand area and the stand boundaries must be strictly adhered to. Areas that are used but not rented as stand space from Leipziger Messe GmbH will be charged at the corresponding list price.

Corner, head and block stands are only available in limited numbers. In the case of **corner, head and block stands**, it is not permitted, in the interest of the opposite stands, to form a closed wall facing the aisle. The organiser may allow exceptions. However, at least 50 percent of the wall facing an aisle must remain freely accessible. Exhibitors wishing to close up to 50 percent of a wall facing the aisle must notify the organiser in writing within 10 working days of the date of dispatch of the stand allocation. A fee of **EUR 110.00** plus VAT will be charged per meter of wall that has been closed. If the organiser receives the information from an exhibitor with a complete stand after the deadline, the exhibitor will be invoiced by FAIRNET GmbH for the cost of the additional walls. Random checks will be carried out at the fair.

Following consultation and approval by Leipziger Messe GmbH, two opposite stands may be connected with an aisle cover (e.g. floor covering). The Leipziger Messe GmbH charges a fee for this. This is calculated for Leipzig Book Fair 2026 from a fee of **EUR 126.00** plus VAT multiplied by the length of the stand adjacent to the aisle cover.

A two-storey stand construction must be notified at your earliest convenience, but at the latest when applying for the stand construction. The area on the upper floor is calculated with 50 percent of the applicable stand rental price per m². The calculation of the rent for areas on the upper floor is based on the actual approved area resulting from the stand construction documents to be submitted.

1.8. Terms of Payment

(cf. General Conditions of Participation / 8.)

Invoice complaints can only be considered within 30 days of the invoice date. In the event of a change of company data, a processing fee may be charged for changes of invoice and address (see Point 1.5. Registration).

1.9. Co-exhibitors and Additionally Represented Companies

(cf. General Conditions of Participation / 9.)

Co-exhibitors and additionally represented companies must be registered by the main exhibitor at the exhibitor's stand by **15 December 2025** against payment of a fee according to the applicable price list (see website www.leipziger-buchmesse.de/prices). Applications by co-exhibitors and additionally represented companies after the registration deadline shall only be possible on request and at the discretion of Leipziger Messe GmbH.

Leipziger Messe GmbH shall reserve the right to charge a **late-booker surcharge of EUR 66.00** plus VAT, for each company that has registered after 15 December 2025. All communication regarding participation in the trade fair and the calculation of the total trade fair rent and fees for co-exhibitors and additionally represented companies will always be made to the main exhibitor.

For each co-exhibitor and additionally represented company, the main exhibitor must submit a separate application including company profile details (via the online exhibitor application) by the registration deadline.

Co-exhibitors are companies that present their own goods or services with their own staff at the main exhibitor's booth. Group companies, subsidiaries and sister companies, author associations or imprints that have their own name are considered co-exhibitors.

Co-exhibiting companies will be named in the exhibitor directory in the digital trade fair media. The marketing basic package (see Point 1.17. Media Entries) is obligatory and included in the co-exhibitor fee. The main exhibitor receives one exhibitor pass free of charge for each co-exhibitor registered.

1. Special Conditions of Participation for exhibitors at Leipzig Book Fair 2026

An additionally represented company presents goods or services without its own staff at the exhibition stand of a main exhibitor. Additionally represented companies are not included in the exhibitor directory in the digital trade fair media.

1.10. Withdrawal and Non-participation (cf. General Conditions of Participation / 10.)

Cancellation of registration by the exhibitor must be notified in writing to Leipziger Messe GmbH.

In the case of **withdrawal prior to admission**, the cancellation fee for each stand registration shall be **EUR 210.00** plus VAT for exhibitors who have registered an exhibition space of up to 6 m² and **EUR 441.00** plus VAT for exhibitors who have registered an exhibition space of 8 m² or more.

In the case of **withdrawal after admission** has been granted, Point 10.2 of the General Conditions of Participation of Leipziger Messe GmbH shall apply.

In the event of a reduction of the exhibition space after admission, the exhibitor must pay **100 percent of the stand rent** for the exhibition space that has been returned. A **reduction in the exhibition space** shall be possible **until 12 February 2026**.

A cancellation fee of **EUR 66.00** per co-exhibitor plus VAT will be charged for cancelling a co-exhibitor registration by **15 December 2025**. From **16 December 2025**, the cancellation fee per co-exhibitor is **EUR 265.00** plus VAT.

The special regulation on the right of exhibitors to withdraw free of charge in accordance with Point 1.5. (registration) shall remain unaffected.

1.11. Products (cf. General Conditions of Participation / 11.)

Only products/services intended for the book and media industry or for distribution via the book trade or for the production of publishing products may be exhibited. Special regulations apply to the Book Art & Graphic Design area (see Point 1.3. List of Goods).

Non-Book items shall only be admitted insofar as they fulfill the required reference to the book trade according to Point 1.11. and are offered by their publishers or producers themselves. Distributors who offer Non-Book items for resale only shall be excluded from participation (see also Point 1.11. on copyright).

Eligible non-book articles include articles that have an ideal connection to the purpose of the event or to the subject areas listed in Point 1.3. List of Goods. These include items such as postcards, stationery, gift articles, calendars, music sheets, globes, maps or digital image and sound carriers. Food, drinks, stamps, coins and similar items are not permitted, even if they are distributed through booksellers. The sale of food and beverages shall be reserved exclusively for the gastronomic facilities of the organiser.

The organizer shall decide on the admission of products/services that are not directly related to the book and media industry upon application at their reasonable discretion.

The organiser does not carry out censorship of any kind.

Exhibitors may only exhibit items or products that comply with the applicable legal provisions and are free of third party rights. Exhibitors assure in the case of copyrighted works either to be their sole author, to offer original products of the author, to own corresponding rights of use or to be entitled for other reasons. The same applies to other industrial property rights (e.g. trademark rights, patent rights, design rights) or personal rights.

Exhibitors must be aware that many of our visitors are minors and that the regulations for the protection of minors must be strictly adhered to.

Offering paid games of chance (e.g. raffles, wheel of fortune games, etc.) is not permitted at the Leipzig Book Fair.

Products and items generated exclusively or partially by generative artificial intelligence may not be exhibited or sold.

Only products of one's own company may be exhibited or advertised at the stand. If exhibits of another company are shown, this company must be registered as a co-exhibitor or additionally represented company (see Point 1.9. Co-exhibitors and Additionally Represented Companies).

Sales at the exhibition stand:

Exhibitors may freely sell their books and products to the public on their own account at Leipzig Book Fair subject to the following rules. Sales may be made directly by the exhibitor at the stand or via a service provider. The exhibitor shall be free to choose the service provider.

The following rules must be observed for **book sales**:

- **Own Publishing Range:** Exhibitors may only sell products which they have produced themselves, from their own publishing range and the registered co-exhibitors. Sales on commission shall not be permitted.
- **New Releases:** The focus of the offer should be on new releases. Defective copies, residual editions and remaining stock are excluded from the sale.

The right shall be reserved to impose further sanctions in accordance with Point 1.23. Contractual Penalty.
- **Cash Management:** The exhibitor shall be responsible for compliance with tax and accounting obligations. Sales must be recorded, credited and handed over to the buyer as proof in accordance with the applicable legal provisions.

- **Clearance and Disposal:** The exhibitor shall be obliged to completely clear the book tables of the trade fair forums immediately following the end of the event. Goods not removed in time will be cleared and disposed of for a fee.

The disposal of waste in excess of this amount (e.g. stand construction waste) and special waste (e.g. production waste mixed with oil or emulsion) as well as other services (e.g. cleaning) must be ordered by the exhibitor for a fee via the Shop for Exhibitor Services in the customer account.

1.15. Security

1.16. Delivery and Removal of Exhibition Goods

(cf. General Conditions of Participation/16.)

1.17. Media Entries

Leipziger Messe GmbH is solely responsible and active for the marketing, processing and publication of media entries. Other publishers who offer or publish similar directories are not authorised by Leipziger Messe GmbH.

Inclusion in the exhibitor directory is obligatory for main exhibitors and co-exhibitors. The calculation of the marketing basic package to the main exhibitor is based on the valid price list (see website www.leipziger-buchmesse.de/prices). The marketing basic package for co-exhibitors is included in the co-exhibitor fee.

Components of the marketing basic package are included in the exhibitor directory online at www.leipziger-buchmesse.de and in the Leipzig Book Fair app:

1.18. Advertising, Press, Specialist Lectures

(cf. General Conditions of Participation/18.)

Advertising outside the exhibitor's own stand shall not be permitted either on or in front of the exhibition grounds. This shall also include: distribution or attachment of advertising material of any kind, use of persons as advertising media, surveys, tests, competitions, raffles and prize competitions, the distribution of samples or fan meetings and similar activities. Excluded from this is advertising during the exhibitor's own event in a trade fair forum. Advertising space on the exhibition grounds subject to a charge is offered by FAIRNET GmbH and additionally via individual services and marketing packages of the media service by the Leipzig Fair (see Point 1.17. Media Entries).

The organiser may permit a limited number of the aforementioned promotional activities on request; there is no entitlement to this. The permission to be granted in writing by the organiser is subject to a fee.

1.19. Presentations, Communications Technology and Visitor Numbers

(cf. General Conditions of Participation/19.)

The volume during presentations or events at the stand or in an event forum must not exceed **70 dB (A)**. No electronically amplified music may be played at the stand.

Exhibitors who use **GEMA-liable** media at their stand are obliged to register this independently with GEMA and to pay the corresponding fees. Any liability of the organiser for non-payment of GEMA fees is excluded.

Crowd management - increased visitor numbers at exhibition stands and at events

Exhibitors are obliged to avoid disruptions of the event. This applies to any events/signing sessions organised by them, regardless of whether these take place outside or at their own exhibition stand, as well as queues of visitors at the exhibition stand regardless of whether events are taking place. In order to ensure that signing sessions run smoothly, they can be registered for our signing area. The exhibitor responsible is obliged to inform the organiser in good time (for all events/signing sessions by the editorial deadline of the event programme, for exhibition stands by the end of exhibitor registration) if, based on previous experience, influences and/or disruptions to the course of the event are to be expected. In special circumstances, notification is recommended up to 4 weeks before the start of the event, exceptions on request. The responsible exhibitor is also obliged to arrange suitable security measures in good time in consultation with the organiser and to commission them independently at his own expense. If he fails to do so, the organiser is entitled, even without the exhibitor's consent, to interrupt events/signing hours as well as to disperse queues and to pass on any costs incurred to the exhibitor and to charge the corresponding contractual penalty. In addition, the exhibitor shall pay the organiser a surcharge of 50 percent on the standard price of the services required for the measures.

The noise level and the number of visitors to the stand must not interfere with the neighbouring stands or the trade fair.
